

2010 CALUSA BLUEWAY PADDLING FESTIVAL

FISHING TOURNAMENT RULES

November 6, 2010

1. **RULES.** All rules are subject to change up to the time of tournament and will be clarified at the Captain's Meeting the night before the Event Date. All decisions concerning interpretation of the rules are entirely up to the Tournament Officials and are final and not subject for appeal.
2. **PARTICIPATION AND ELIGIBILITY.** All competitors must be 18 years of age or older or be accompanied by a parent or guardian. A guardian who is not registered in the event and accompanying a minor may not fish. Minors must also have the signature of his or her parent or legal guardian on the entry form.
3. **PRE-REGISTRATION AND CAPTAINS MEETING.** Each contestant may pre-register and pay prior to the event. Registration will be open through the Captain's Meeting the night before the Event Date. Attendance at the Captain's Meeting is **MANDATORY** for all contestants. If a contestant is unable to attend the Captain's Meeting they must prearrange eligibility with the Tournament Officials prior to being allowed to participate. Uniform measuring devices and unique tokens will be distributed at the Captain's Meeting. Fishing begins at first safe light on the day of the tournament.
4. **SAFETY.** Each contestant must possess a Coast Guard Approved Type III personal flotation device and whistle and follow all U.S. Coast Guard regulations.
5. **CHECK IN.** Check-in will begin at 1:30 pm at the official tournament site. All competitors must be in the check-in line with their cameras and measuring devices by 3:00pm to be eligible for prizes and points. At the check-in, anglers will be submitting their camera for review and filling out a score card. The post-tournament ceremonies will begin at 3:30pm.
6. **SPORTSMANSHIP.** All contestants are required to follow high standards of sportsmanship, courtesy, and conservation. No alcoholic beverages or use of illegal drugs is allowed. Contestants will **NOT** be allowed under any circumstances to hire any type of professional guide or guide service during tournament hours. The Tournament Officials may refuse any tournament application, or deny a previous application by returning the entry fee or balance of fees to the Angler.
7. **LEGAL FISHING METHODS.** All fish *must* be caught on hook and line. Live, frozen bait and all artificial lures will be allowed. Only standard conventional, spin, or fly tackle may be used. Intentional snagging is prohibited. All competitors must fish out of a craft that is recognizable as a kayak or canoe. All paddlecraft must carry a paddle and use this as a primary form of conveyance. Paddles, push poles, and stake-off poles are legal means of conveyance, but paddlecraft must have a paddle on board. No motors, electric or otherwise, will be allowed.
8. **SCORING.** The objective is to photograph the longest "slam" consisting of one (1) redfish, one (1) snook, and one (1) sea trout per angler. Fish measurement will be rounded **DOWN** to the nearest quarter inch and fish must be photographed against the official Calusa Blueway Paddle Tournament measuring stick and token with whole fish clearly visible on the competitor's kayak. **The first photo on the camera must be of your rigged boat as put in at launch with measuring device and scoring marker visible.** Fish must be photographed in or on the boat, on the provided measuring device, clearly showing the length of the fish with the scoring marker visible. More than one photo of a fish may be taken to ensure a usable photo. Length is determined from the forward-most point of the fish to the pinched top of the tail. Fish may be of any length. Any fish measuring longer than the measuring device will receive the length of the measuring device as its official score. In the event of a tie the entry checked in earliest will be declared the winner. The judging committee will review the photos to verify reported results and determine place winners. The Tournament Officials are responsible for the final call in all matters.
9. **DIGITAL PHOTOGRAPHY.** Participants may only use digital cameras for recording scoring fish. Entrants must bring the storage chip from their camera to check-in or bring the download cable for their camera so that pictures may be retrieved. The following media formats can be handled without a cable at check-in: CompactFlash Type 1 CompactFlash Type 2, SD Card, miniSD, MultiMediaCard, RS-MMC, Memory Stick, Memory Stick PRO, Memory Stick Duo, Memory Stick PRO Duo, SmartMedia, xD. Media cards will be returned to participant after pictures are removed off it. Anglers are not advised to share cameras or memory devices.
10. **TANDEMS/SHARING.** It is permissible for more than one entrant to share the same paddle vessel. Each paddler must be a registered participant and is scored separately. Fish may **NEVER** be shared among entrants. If more than one person is in a tandem both must be registered anglers – use of an extra person strictly as a paddler/motor is forbidden.
11. **FISHING BOUNDRIES.** All Lee County waters are included.

GOOD LUCK!!!
