About the Calusa Blueway

The meandering Calusa Blueway paddling trail uses markers, free maps and a state-of-the-art Web site to guide canoeists and kayakers away from powerboat traffic and through calm areas that are a mere foot or two deep. Leggy herons, shimmering fish, charming crabs and playful dolphins accompany paddlers in Lee County. It's among the easiest-to-use paddling trails with a high concentration of wildlife found anywhere in the U.S.
